

Boulder Public Library Resources

The Boulder Public Library is bursting with free resources that can save you money and enrich your life.

Here are some of our favorites:

- [Get a free library card](#) and unlock a world of possibilities at any of Boulder Public Library's branches, or online.
- [Download, stream and access](#) your favorite e-books, music, movies, magazines and newspapers – all for free!
- Join the DIY movement with free community workshops in the [makerspaces](#) at our Main and NoBo libraries. See the BLDG61 or Studio24 makerspaces in action, learn about equipment, get hands-on with a project of your own, or take a class.
- Bring your child to one of the many free [storytimes](#) that take place every single day at one or more of our library branches.
- [Reserve a free meeting or study room](#) at any of our libraries.
- [Book the Canyon Theater for free!](#) The library is dedicated to offering this 190-seat venue for the public to host free, open to the public, community events. The theater provides a staffed and accessible venue at no cost to the organizer.
- [Reserve a free Culture Pass](#) and gain free entry to local cultural institutions like the Boulder Phil, Butterfly Pavilion, Denver Botanic Gardens, Museum of Boulder and Wow! Children's Museum.
- [Enjoy free wi-fi, or reserve a free desktop computer or laptop Chromebook.](#) Printing and copying costs 10 cents per page in black and white, and 20 cents per page in color.
- [Research local history and genealogy at the Carnegie Library for Local History.](#) Very few public libraries have collections of local history materials as comprehensive or as exciting as this. Don't miss the [Maria Rogers Oral History Project](#) collection.
- [Discover your Next Great Read.](#) Join the library every Thursday on [Instagram](#) and [Facebook](#) between 1-3 p.m. to discover great books! Look out for their post, tell them one to three books you enjoyed reading in the comments, and they'll suggest something new to read.
- Learn to read English, find a free reading or writing tutor, build your English conversational skills, study for your GED, enroll in US citizenship classes or volunteer with [BoulderReads](#). These programs support children and adults in literacy development through high quality programs to open greater opportunities in school and life.
- Receive one-on-one tech help from a [Digital Navigator](#). Set up email, navigate the internet, install apps, find affordable internet options and apply for community resources with individualized help.
- [Attend a free program or event.](#) From author talks to visiting artists, the library hosts hundreds of high-quality, free programs and events each year.
